

Off and Running!

Talk about hitting the ground with both feet running! That's just what the All Island Kiwanis Club, a newly chartered Kiwanis Club in the Metropolitan Division of the NY District, has done. They pledged to become a Model Club before they were even chartered! The Club has already raised \$8350 towards their Model Club goal of \$12,750. These funds were raised by various activities including a member's participation in the NY District Tri-K Walk for ELiMiNaTe as well as direct fundraising and donations. The Club has 4 Walter Zeller Fellowship recipients with 5 Zellers awarded (2 Mothers Day, 1 Presidential, and 2 traditional) as well as 2 MNT Hixsons. Five of the six recipients are new to Kiwanis. The Club is also taking the lead in the Metropolitan Division's Walk for Eliminate as part of the District Program's Global Walk on July 17 at the same time that the ELiMiNaTe Walk will be taking place in Tokyo and hopes to meet or exceed the \$12,750 goal in less than one year!
