## County Seat, Wheatley Key Club & Hampton St K-Kids Ring Salvation Bells

For over ten years the County Seat Kiwanis Club in Mineola has manned the bells for the Salvation Army. County Seat Club members with their Key Clubbers from Wheatley HS and their K-Kids from Hampton Street made it a Kiwanis Family project. L-R: County Seat's newest member Allan Gruber, Club President Steve Parmett, DPLG Pete Owens and the students of Wheatley HS and Hampton Street school join forces.

Members of the Kiwanis family from the Capital, Mohawk and Van Rensselaer Divisions were very busy selling the *Bells of Life* for the benefit of the Kiwanis Pediatric Trauma Program at the Albany Medical Center Hospital.

Dom DeCecco, Lt. Governor of the Capital Division arranged for K Family members to sell the Bells at Crossgates Mall during December. Don Brown, of the Mohawk Division and I arranged to sell *Bells of Life* at the Clifton Park Center and Ken Oranstam (SP) arranged to sell Bells at many retail locations within his Van Rensselaer Division.

Congratulations to these 3 divisions for continuing to work toward realizing our pledge to the Kiwanis Pediatric Trauma Unit at the Albany Medical Center.

I would like to recognize those Kiwanians in the Van Rensselaer and Capital Divisions whose clubs have recognized them for their monetary and time contributions to KPTC and who have been awarded the designation of Kiwanis Pediatric Fellow. These include:

Capital:	Dom DeCecco Warren Schlieckenrider Rick Sturm David Vail Gary Warren
Van Rensselaer:	Ken James Chester Melieus Fred Miller Lonnie Oathout* Gerald Tysiak

Thanks to these folks and all other members of the K-Family for continuing to support this worthwhile effort. \*deceased
