

Denoncourt Elected New York District Key Club Governor

by Joe Denoncourt to Key Clubbers

It is my distinct honor to introduce myself to you as your new 2006-2007 New York District Governor. There is no doubt that the 2005-2006 service year was a great success, but Key Clubbers, I guarantee you, with your continuing drive, dedication, and motivation to better the world around you, the NY District can maintain and surpass our previous accomplishments.

Joe Denoncourt is installed 2006-07 NY District Key Club Governor by Key Club Administrator Andy Lowenberg.

I asked everyone at District Convention while campaigning, "Why are we in Key Club?" The answer members – is simply to serve. With my Governor's Project, "Cleaning up Communities," each club has the chance to lend a helping hand in improving their homes, schools, and communities. There are numerous events in which clubs can take part in all year to better the world around them.

Be expecting everything else I promised at convention as well; member and officer education, interclub relationships, and communication. I'm so excited to meet and work

with you in this upcoming year at Regional Training Conferences, K-Family Day of Service, and various other district events. I can't wait to hear your ideas and thoughts on the district level.

Thank you again for this incredible opportunity to serve you this upcoming year; I am looking forward to every bit of it. Please, always feel free to call, e-mail, or send me a letter or IM. Joe is off to a great start.

Hartsdale Club Raises Funds to Purchase KPTC Trauma Kit

L to R: KPTC Foundation Past President Jerry Rudnick, Hartsdale President Iris McLee, DP Secretary Sharon Hernstadt (Hartsdale Halloween Window Painting and KPTC Drive Chair) and Lt. Governor Jack Glazier. Back row: PP KPTC Foundation John Lalena, Manhasset Kiwanian Carl Lalena and Port Washington Kiwanian Ed Rubin.

Kiwanis Club of **HARTSDALE**, Bronx Westchester South Division – A KPTC Kit was presented to the Kiwanis Club of Hartsdale by KPTC Past Presidents "Jerry" Selwyn Rudnick and John Lalena. Video Producer Ed Rubin presented his highly informative video on KPTC. John Lalena spoke with great enthusiasm about the benefits of KPTC.

Hartsdale DP Secretary Sharon Hernstadt spearheaded the drive to raise funds for the KPTC Kit, which was donated to the EMS of the town of Greenburgh Police Department. Sharon chaired the Hartsdale Halloween Window Painting Contest, which earned significant monies toward the project.

Also present at the event were Bronx Westchester South Division Lt. Governor Jack Glazier and Hartsdale President Iris McLee, along with ten Hartsdale Kiwanians. Lt. Governor Jack stated that the program is worthwhile and should be presented at every club. KPTC Past President was presented a thousand dollar check for the Kiwanis Pediatric Trauma Center Foundation.

Kim Worobey Elected Circle K Lt. Governor

Lt Governor Mike Malark introduced the new Circle K Lt Governor Kim Worobey, to the Capital Division membership at a recent Division Council meeting. PLG Jean Andrick and LG Mike are joining forces to help improve the communication with their Sponsored Youth groups. Kim is a member of the newly formed Russell Sage College Circle K group, and was a former Key Club member with the Castleton-on-Hudson sponsored group. Kim outlined a number of her goals and announced her candidacy for next year as Circle K Lt Governor for the Capital Division, which will include RPI, Russell Sage, SUNY Albany, and Adirondack Community College.

Interclub

Tom Mollo

Hello. My name is Tom Mollo. DPLG John Deleo and I are co- chairs of the District Interclubs Committee.

An Interclub is a meeting agreed to by two or more Kiwanis clubs or by a Kiwanis Club and any K Family Club. The visiting club must have at least four members in attendance. Through the fellowship gained by interclub activities, members learn how other clubs function; they get to know their neighboring Kiwanians; and develop new ideas and a broader interest in how Kiwanis operates. When Kiwanians visit with a K-Kids, Builders Club, Kiwanis Junior, Aktion Club, Key Club or Circle K, they demonstrate an interest in the activities of sponsored youth groups as well.

Some incentives for interclub activities are needed for a well rounded promotion by the Committee on Club Meeting. A successful interclub campaign leads to greater interest in the home club through specific, meaningful programs. As word of a terrific experience begins to circulate, more members will be inspired to create more interclubs.

Past club, division and district officers can be urged to remain active in Kiwanis by participating in interclub meetings. Through interclubs, a strong club can counsel and inspire clubs in their division not to fall below charter strength. Each club should prepare an interclub membership roster and record participation of club members at interclub meetings. Furthermore, the District Secretary, Lieutenant Governors and Chairmen of District Committees on club meetings, know about existing incentives and can help develop programs where none exist.

As the fifth objective of Kiwanis states, we are here "to provide through this club a practical means to form enduring friendships to render altruistic service and build a better community." There is still time left in this Kiwanis year to let Governor David know that the New York District is promoting fellowship, counseling and assistance in fund raising projects to other clubs through interclubs. How about your club? For more information email <tommollo@optonline.net>.
