Teacher Responds To Key Leader Program

Kiwanis

Kiwanis Club of Palmyra - Macedon

1462 Wayneport Rd
Macedon, NY 14502

CLUB MEETINGS
1st and 3rd Thursdays
Palmyra Town Hall
7:30 pm

As a teacher, I am writing to tell you about a new student leadership program that is coming to our area this spring. Kiwanis Key Leader is the premiere student development program for service learning. It is targeted at student leaders to help you become better and more concerned leaders, but more importantly, it is designed for emerging leaders. It will give you the confidence you need to step up to that next challenge, while preparing to be tomorrow's leaders.

This program will positively reinforce Palmyra-Macedon's character development program. Our five keys to leadership that you will learn about are:

- Personal Integrity—Doing the right thing.
- Personal Growth—Developing in mind, body, and spirit.
- Respect—Showing consideration for self, others, and property.
- Building Community—Developing relationships to achieve positive goals.
- Pursuit of Excellence—Expecting and achieving the best.

Now, here is the opportunity! This program is being offered in our backyard, May 19-21st at Camp Stella Maris, just minutes south of Rochester. It is a fun and exciting weekend that you are guaranteed to enjoy, but more importantly it will improve your school for the better!

- Kiwanis Key Leader is designed to begin a process of personal leadership growth and development as opposed to being a weekend event that is forgotten weeks or months later. It will be a life-changing experience.
- Kiwanis Key Leader is designed to open doors to leaders as young as soon as to be eighth grade graduates. Leadership development shouldn't wait!
- Kiwanis Key Leader is designed to teach what it means to be a youth leader in three different communities: the local community; the state or national community; and the global community.

Cost for the weekend, including all food, lodging, materials and a t-shirt, is only \$150 dollars per youth. The Palmyra - Macedon Kiwanis club has committed to send two youths from our school district. We have included an 'application' form in order to find students who would be interested in attending. We would like to send one student currently in 8th or 9th grade and one student in 10th, 11th or 12th grade. We will pay for the registration for 2 students; however the program is open to anyone. If you are not selected, you may wish to find your own sponsor, a church, a family member etc.

When you want to know more about the program please feel free to contact me or go online at www.key-leader.org. I have included some promotional material, and there is more available. We have set a deadline of April 15th to have student name to us so we can make a selection...
