# Glens Falls Kiwanians Bring Educational Opportunities to Head Start Program

Kiwanis Club of **GLENS FALLS**, Mohawk Division — helps the World Awareness Children's Museum bring their educational opportunities on the road to Head Start classrooms through funding one of the museums outreach program. "This Celebrations and Traditions Outreach Program offers an opportunity for students to learn about the Chinese New Year and Mexican Day of the Dead through hands on activities. These activities include making a Chinese Lantern, trying on traditional Chinese and Mexican clothing, playing traditional instruments, and having their own "Dragon Parade," says Courtney Roberts, Educator with the World Awareness Children's Museum. This program was brought to Head Start classrooms in Lake Luzerne, Warrensburg, and Glens Falls.

Barbara LeBouf, President and David Stotler, President Elect of the Kiwanis Club of Glens Falls visited the Glens Falls Headstart classroom outreach program on January 8. "The children are so excited to try on the

clothing, try the musical instruments and see artwork done by children in other countries," says Barbara LeBouf, President of Kiwanis.

"We are so pleased to be able to bring this outreach program to so many Headstart children."
