

# Mamaroneck Kiwanian George Latimer Elected to New York State Assembly

The Kiwanis Club of **MAMARONECK**, Hudson Tri-County Division – George Latimer, a member of the Mamaroneck Club, has been elected to serve in the New York State Assembly for the 2005-2006 term. Latimer will represent the 91st A.D., including the Westchester County communities of Port Chester, Rye Brook, Larchmont, Rye City, Mamaroneck Town and Village and part of New Rochelle. Previously, he served as a Westchester County Legislator for 13 years - including 4 years as Chairman of the Legislature - and four years as a Rye City Councilman.

Latimer, 51, has a long connection to Kiwanis and the K family. He has been a member in Mamaroneck since 1993, and previously was a member of the Rye Kiwanis Club, where he served as President. He was a Key Clubber at Mt. Vernon H.S. in 1969-1970, and helped Kiwanis PG Tom DeJulio found the Fordham University Circle K club, when they were Fordham students, in 1970. He served in a series of Circle K leadership posts, including District Governor (1971-72) and International President for Circle K (1973-74), the first New Yorker to serve as Circle K International President.

**George Latimer, State Assemblyman**

A graduate of Fordham University, Latimer holds an MPA from New York University. He resides in Rye, and is married to the former Robin Phelps, and they have one daughter, Meagan, currently a college sophomore.

“My years in Kiwanis sponsored youth programs were invaluable in understanding how volunteer organizations work, and how important service is to our communities,” Latimer stated. “Although 30 years have passed, the people that influenced me then - from Dr. Michael Dattero to Tom and Rosemary DeJulio to Anton ‘Tony’ Kaiser - helped shape the person I am today. I am very, very fortunate to have had such outstanding Kiwanis role models to build on year after year,” Latimer concluded.

### WE HAVE BANNERS!

Last month in the ESK the Hoosick Falls club had a photo in which one of our new banners was being carried in the parade. The Wantagh Club displayed the banner as a table skirt; Seaford hung one high above the lanes at a bowling night. Can you think of more times that a vinyl Kiwanis banner would be better displayed than the club or honors banners which are made of felt and in some cases showing wear?

Does your club have such a banner - one that is weatherproof and emphatic? If not, contact [KiwanisPR@aol.com](mailto:KiwanisPR@aol.com) for information about purchasing one. The banners are \$84 plus shipping costs - however, they could be delivered at the August Convention at no further charge. Order yours today! Perhaps your club might be able to share a banner with another club or with the other clubs in its division. A blatant banner with blue KIWANIS on a white background looks striking wherever it is hung. It is particularly attention getting in the background of a photograph instead of the felt banners that we all have.

### PUBLIC RELATIONS AWARD

The PR Awards applications are beginning to come in and are very impressive with the types of information being put forth to our communities. Don't forget to keep your newsletters, press releases, photos, clippings, etc. for the public relations award so that application can be made for the banner patch. Send, by September 30, 2005, to Public Relations Award, N.Y. District Kiwanis, 2104 Willow Street, Wantagh, NY 11793, Tel 516-826-6344 Fax: 516-221-3152 Email: [KIWANISPR@AOL.COM](mailto:KIWANISPR@AOL.COM)
