

New Yorkers Raise Their Glasses in Celebration

As a special *Thank You* for all the hard-working Kiwanians, they were treated to a Champagne Toast. The pineapple and strawberries were as sweet as sugar and the cheese and crackers hit the spot.

PG Tom and DPLG Dr. Rosemary express their profound appreciation to PAC Chair Pat and Linda Cooney for all their tireless efforts. They thanked many Kiwanians for their support, prayers and love. "Thank you for making a difference in Kiwanis and in our lives." The sunset was golden and for a moment all was right with the world.

DPLG Don Josselyn and First Lady Nanse celebrate their 50th Anniversary in Hawaii. Best Wishes!
