

Foundation President

Lindy Marrazzo

On June 11th, we had our camp opening which turned out to be a beautiful day. We dedicated the new infirmary to DPLG Dominic Sciarrotta from the Long Island Southwest Division and Peninsula Club. In attendance were more than 200 Kiwanians and friend, including Dominic's wife Lorraine and other members of his family. It was a touching moment and a great way to honor Dominic for his work in the community and at Kamp Kiwanis.

I would like to thank all the clubs that are sending children to camp. Through your efforts, your children, who are handicapped and/or disabled, will get to enjoy one week at one of the finest camps in the United States. In the last ESK there were a couple of letters from children who attended Kamp Kiwanis and from the Seamens Society for Children and Families, who sent 10 children to Kamp Kiwanis, thanking us for our efforts. It really does have a positive effect on these children.

On August 15th we will be having our first annual Kamp Kiwanis Golf Outing at the Wheatly Hills Golf Club in Williston, New York. Call Chairman Tom Gallagher for details at 516-735-9500. All proceeds go to Kamp Kiwanis.

At the Binghamton Convention we will be having our annual raffle. We will be raffling \$15,000.00 in cash prizes. Call me or Steve Haller at 516-731-4892 for details and tickets. See you in Binghamton.

Infirmary Dedicated in Honor of DPLG Dom Sciarrotta

The Kamp's new Infirmary was dedicated at kamp weekend this past June in honor of Foundation Board Member Dominic Sciarrotta. Above Dominic's special wife Lorraine with her family, are joined by Dominic's Peninsula members, LISC DPLG John DiLeo, Gov. Glenn Hollins, Foundation Pres. Lindy Marrazzo, KPTC Board Member Tom Mollo to pay homage to a dedicated Kiwanian. Dom's Club has donated much money, time and expertise in working on the infirmary. Dear Lindy:

Just a brief note to express my appreciation and pleasure at your joining us on May 6, 2005 at Washington Irving High School in honor of the dinner benefit for Kamp Kiwanis.

I also wish to thank you on behalf of the Washington Irving Key Club organization for delivering the keynote address which was pivotal in helping us achieve the goal of raising the much needed funds to insure that these children have the opportunity to go to Kamp Kiwanis. I was particularly pleased to hear in your remarks directed at the students that it did not take them a lifetime to understand how to give back to the community.

With sincere appreciation and kindest regards, I remain,

Sincerely yours,
Denise DiCarlo
