

**Foundation President**

Lindy Marrazzo

This past May 5th was a day I will always remember. Our camp clean up was scheduled May 3rd – May 5th. More than 40 Kiwanians and friends, including 15 Kiwanians from my home club, The Staten Island Club attended the camp clean up and despite a few of them having a tough night, Thursday night, we got a lot of work completed. We painted 5 cabins, did repair work on most of the cabins, cleaned Governor's Hall including the kitchen, repaired roofs, put down grass seed, cleaned cabins, and more. On May 5th, Saturday, I had the pleasure of dedicating the upper bathhouse to the parents of Board Member Joe Battista; to State Senator Jim Alessi, for dedicating the electrical supply house; and to the West Seneca Club, for all the monies they donated over the past years from the Buffalo Bills games. I also dedicated a number of bricks to DPP Ron Shatilla, DPLG John LaVelle, DPP, SDPLG Bob Cummo, John Vetter the father of Board Member Tom Gallagher, David James Wilkes, David Rothman and Debra Fuchs, D.P.P. James Seaborg and Fran Hogan's Board.

However, it was after these dedications that I was surprised and honored. Those of you in Kiwanis voted to dedicate the administration building to me, a great honor I could not think of. To be remembered with Kiwanis greats such as John Gaglione, Frank D'Orazi, Dominick Sciarotta and many others is indeed something to remember. My wife Chris and sons Peter and Graig, were present which made it even more exciting.

This is an honor that I need to share with all those who have helped me over the last 10 years while I served as President of the Kiwanis Foundation. Without the help of all of you, we would not have one of the best sleep away camps in the country. Special thanks to Sal Anelli, Joe Battista and Mike Malark for their kind and gracious words.

Getting back to business, we are ready for
