

## Foundation President

Lindy Marrazzo

Thanks again to all those clubs that supported us last year. Over 800 children and 80 adults, many of them handicapped. Some children enjoyed kamp so much we sent them back for a second week during the last week of the season.

I would like to congratulate all the incoming Presidents on their election to the highest club office. If you need any information on the camp or the Foundation please call the district office or me. I would also request that each club have a fundraising activity geared specifically for Kamp Kiwanis. With the people at the Kamp and the renovations we are doing, every little bit helps. With donation of 1,000 you can use that towards the purchase of a Kaiser Fellow. With the winter coming up we have geared down and closed the kamp. However, there are still fixed costs that need to be paid.

Congratulations to our new Foundation Board members Peter Owens, Steven

The Kiwanis Club of **NORWOOD**, St. Lawrence Division – annually sends several Norwood-Norfolk students to Kamp Kiwanis in Taberg, NY. The Club invited this year's participants and their parents to a dinner meeting at the Lobster House during a regular Kiwanis Meeting. The two campers who attended the dinner spoke about the activi-

ties and their experience at the camp to the club and SUNY Circle Kers from Potsdam. Swimming and boating along with a multiple variety of games like softball filled the days with many enjoyable activities. The co-ed structured camp provided a wholesale environment for the campers and counselors.

All clubs recently received information about the Empire Club. This allows Kiwanians and friends of the NY District Foundation to make a long-range gift to further help children that we serve through our District Foundation.

Remember, joining the Empire Club allows you to make a long-range gift to the District Foundation and be recognized at all District Conventions with a reception in your honor, a plaque, pin and a banner patch for your club's banner. A member of the NY District Foundation would be honored to make the presentation at one of our Conventions or conferences as well as at a Division Council meeting.

Feel free to call PDG Joe Eppolito or email him with your questions, suggestions, concerns or any other comments that you have about the program. [Pepster@aol.com](mailto:Pepster@aol.com) or (315) 449-9613.
