

KPTC Foundation Celebrates 10th Annual Black & White Ball

The Kiwanis Pediatric trauma Center Foundation held its tenth annual Black and White Ball in Leonard's of Great Neck this past September.

The special event the brainchild of Governor Elect and Chairman Joseph Corace, included limited speeches and much dancing. Below see Kiwanians and KPTC Friends join the dance line to the spirited "When the Saints Come Marching In," in support of the rebuilding of New Orleans after the devastation from Hurricane Katrina. This event traditionally has been a great time for Kiwanians to celebrate in fashionable Black & White garb.
