Presently, for the on-going conflict in Iraq, Key Club is involved jointly with the American Legion in "Operation Crayon" Thousands of pounds of school supplies have been shipped directly to the American troops in raw for distribution among the needy children.

Today, through the efforts of Lt. Governor Mile Malark (Capital Division) and Maureen Neuringer Editor of the Empire State Kiwanian, Key Club is promoting "Give A Can Day" collecting canned food to help the victims of Hurricane Katrina.

How fortunate we are to have envisioned the potential of our young people since 1925 when the first Key Club was formed in Sacramento, California High School. Let's continue to promote and expand this unique program that develops responsible citizenship and the future leaders of our country. Truly, America is blessed with talented and caring young people.
