Kamp Kiwanis® 2010

Adult Kamper Application

Our Program

Kamp Kiwanis offers a unique Kamp experience for adult Kampers to explore the world through environmental and cultural activities. Kiwanis Clubs throughout the state of New York work to financially offset the cost of Kamp so Kampers are able to attend Kamp for a once in a lifetime experience. Kampers and staff work together to build self-esteem and cooperative peer relationships.

Kamp Kiwanis offers a special place for self-discovery, laughter, fun and personal growth. Through small group interactions, Kampers have the opportunity to learn more about themselves and others as well as increase their self-confidence. By offering positive role models, experiences that build self-esteem, and challenging activities, we foster Kampers' development of new skills and respect for the community on the part of each Kamper.

Kamp obtains a permit to operate from the New York State Department of Health through the Oneida County Health Department. The Kamp is required to be inspected twice yearly by the Health Department. Reports of the inspections are on file at the Kamp and at the Oneida County Health Department. Kamp also files with the OMRDD each year. Kamp is accredited by the American Camp Association, a nationally recognized organization. We voluntarily submit to this independent appraisal by camp experts and are proud to have earned this distinction.

Location

Kamp is located on 102 acres of open and wooded land at the base of the rolling, western foothills of the Adirondack Mountains. There is an Administration building with a connecting Health Center, a Dining Hall and Kitchen, sleeping cabins with electricity, two bath houses (1 newly renovated), athletic fields, sports courts, a swimming play pool, nature trails, a library, a performing arts building with a stage, an arts and crafts building and a pond for fishing, canoeing, and paddle boating. The Kamp is wheelchair accessible. The closest "large" town is Rome, New York and is approximately 6 miles away.

Application Process

Each Kamper must apply to Kamp with a \$200.00 deposit per application. Here at Kamp, we ask that all forms are filled out completely and are received here at Kamp at least 4 weeks prior to the start of a Kamp Session. Rules for acceptance and participation in the Kamp Kiwanis program are the same for everyone without regard to race, color, sex, or national origin. We do ask that parents/guardians of those Kampers with special needs contact Kamp to ensure that our facilities and staff are able to meet with your Kamper's individualized needs so that we may provide a safe and fulfilling experience for all our Kampers.

Keep this orange cover sheet handy as a quick reference for session dates and Kamp procedures. All other pages must be completed and returned for the summer Kamp application.

Kamp Kiwanis serves individuals with many forms of special needs and health impairments. **This Kamp is programmed for high functioning adults.** Please contact the Kamp to ensure that our facilities and staff are able to meet your Kampers individualized needs.

Staff and Ratios

The staff is mainly comprised of college age international staff members from many countries as well as some from the United States. All staff members have been trained for a full week in how to interact with Kampers of all ages, in safety and in policy and procedure. Fully qualified lifeguards also work with and watch over your Kampers to ensure safety while at Kamp, in and out of the water. The staff is hired only after 2 reference checks and background checks have been completed. The staff to Kamper ratio is generally 1:2. Kampers may be assigned higher ratios as needed.

Telephone

Because of limited telephone service, we are unable to permit Kampers to call home or answer calls. Cellular phone use is also prohibited. Calls will be accepted by our staff and will be answered as soon as possible.

Medical

A certified Nurse is on site during camping sessions. In the event a Kamper becomes injured or ill, we will make every attempt to contact the parent or guardian as soon as possible.
