Same Application Format

This year we will be keeping the same application format and process for acquiring Kamp reservations. Enclosed in this packet you will find 2010 Kamp applications, a club reservation sheet, information on Open House and a Kamp Kiwanis Wish List. Please only use the 2010 forms as new health information has been added. Please throw away any old forms. NYS Health Dept Regulations change from year to year and new formats have been added. This year the application is color coded to assist parents/guardians in the application process. Please do not forget this is a Club Kamper Reservation sheet to assist you in reserving Kamp spots.

2010 Child Kamper Fees Stay the Same for the 3rd Year

In an effort to keep the fees manageable for clubs, the Foundation has decided for the 3rd year running to keep the total child cost for the 2010 summer season at \$425.00 without transportation and \$525.00 with transportation. A CIT cost is \$225.00 without transportation, per session and \$325.00 with transportation, per session. **A \$200.00 deposit is required for all kampers.** All clubs are eligible for a "sponsor 10 get the 11th sponsorship free" discount. All applications and fees are due **4 weeks prior** to a kamp session. Please note that if you are unable or unwilling to find kampers we will find them for you. Please just give us a call.

2010 Adult Kamp Fees

Since 2006 the rising gas costs have attributed to an increase in a number of expenses at Kamp including food and supplies. Due to these rising prices, Kamp has increased its Adult Fees to \$700.00 without transportation and \$850.00 with transportation. **A \$200.00 deposit is required for all kampers.**

Special Needs

If you are sponsoring a kamper with Special Needs, please contact Kamp first. We want to have room for every kamper, but we need to assure that there will be enough staff to service each camper's needs. We only accept 20 kampers that require extra assistance per week. These spaces fill first.

Kamp Dates

Please note that Child Session 1 begins Sunday July 11 and ends on Saturday July 17. Every session afterward will run from the following Sunday to Saturday and so on until our last session, which runs from Sunday August 15 to Saturday August 21. Our data shows that our first few sessions are the hardest to fill, so this should help you. This year we are offering 2 adult sessions.

Club Reservations

Clubs can begin making reservations now for the 2010 summer season. Enclosed you will find a Club Reservation Form that will assist us here at Kamp to make a solid Kamp Reservation. We are unable to hold a spot without the **\$200.00 non-refundable deposit per kamper.** To help our clubs, we have now made it possible to use credit cards as a form of payment.

Transportation

On the back page of the application is this year's bussing schedule. We will contact each kamper and each club with bus times as soon as we know them which most often is **Friday at noon** before a kamp session. Drive-in times on Sunday are between 3:00pm and 4:00pm and pick-up is between 8:00am and 8:30am on closing day. All divisions that provide Drive-ins will be week 4. If this week is not possible please contact the Kamp.

Health Form

All kampers must submit the Kamp's Health Form. **Due to State Regulations and American Camp Association requirements, we can not accept alternate health record forms.**

Complete Applications

Please explain to parents/guardians that an application must be complete in its entirety. Each blank space leaves us here at Kamp without valuable information that may assist us in providing your kamper the best possible care. We want to provide your kamper with the best times he or she can have away from home building wonderful memories and friendships.

Club Assistance
