Kamp Kiwanis® 2011 Kiwanis Club Sponsored Kampers

Our Program

Kamp Kiwanis offers a unique kamp experience for kampers ages 8-14 to explore the world through environmental and cultural activities. Kiwanis Clubs throughout the state of New York financially sponsor kampers to attend Kamp for a once in a lifetime experience. The program at Kamp is designed to mainstream all kampers including up to 20 each session with special needs. Kampers and staff work together to build self-esteem and cooperative peer relationships.

Kamp Kiwanis offers a special place for self-discovery, laughter, fun and personal growth. Through small group interactions, kampers have the opportunity to learn more about themselves and others as well as increase their self-confidence. By offering positive role models, experiences that build self-esteem, and challenging activities, we foster kampers' development of new skills and respect for the community on the part of each kamper.

Kamp obtains a permit to operate from the New York State Department of Health through the Oneida County Health Department. The Kamp is required to be inspected twice yearly by the Health Department. Reports of the inspections are on file at the Kamp and at the Oneida County Health Department. Kamp also files with the OPWDD each year. Kamp is accredited by the American Camp Association, a nationally recognized organization. We voluntarily submit to this independent appraisal by camp experts and are proud to have earned this distinction.

Location

Kamp is located on 102 acres of open and wooded land in the rolling, western foothills of the Adirondack Mountains. There is an Administration building with a connecting newly built Health Center, a Dining Hall and Kitchen, sleeping cabins with electricity, two bath houses (1 newly renovated), athletic fields, sports courts, a swimming pool, a camping area, nature trails, a library, a performing arts building with a stage, an arts and crafts building and a pond for fishing, canoeing, and paddle boating. The Kamp is wheelchair accessible. The closest "large" town is Rome, New York and is approximately 6 miles away.

Application Process

Each sponsoring Kiwanis Club have their own policies for the application process. Here at Kamp, we ask that all forms are filled out completely and are received here at Kamp at least 4 weeks prior to the start of a Kamp Session. Rules for acceptance and participation in the Kamp Kiwanis program are the same for everyone without regard to race, color, sex or national origin. We do ask that parents/guardians of those kampers with special needs contact Kamp to ensure that our facilities and staff are able to meet with your kamper's individualized needs so that we may provide a safe and fulfilling experience for all our kampers.

Keep this lime colored cover sheet handy as a quick reference for session dates and kamp procedures. All other pages must be completed and returned for the summer kamp application.

- CIT's are accepted initially for up to two weeks and are able to extend their stay if they are being successful.
- CIT's must fill out the kamp application and will receive information regarding the program once their application is received.

Telephone

Because of limited telephone service, we are unable to permit kampers to call home or answer calls. Cellular phone use is also prohibited. Calls will be accepted by our staff and will be answered as soon as possible.

Staff and Ratios

The staff is mainly comprised of college age international staff members from many countries as well as some from the United States. All staff members have been trained for a full week in how to interact with kampers of all ages, in safety and in policy and procedure. Fully-qualified lifeguards also work with and watch over our kampers to ensure safety while at Kamp, in and out of the water. The staff is hired only after 2 reference checks and background checks have been completed. The staff to kamper ratio is generally 1:8. Kampers with special needs are assigned higher ratios as needed.

Medical

A certified Nurse is on site during camping sessions. In the event that a Kamper becomes injured or ill, we will make every attempt to contact the parent as possible. Guardians are required to immediately pick up their Kamper if the Kamper becomes ill and can no longer stay safely at Kamp. This includes behavioral, emotional, and psychological difficulties.

Kampers with Special Needs

Kamp Kiwanis serves individuals with many forms of special needs and health impairments. All children kampers are mainstreamed into the kamp population and adult kampers have a session of their own.
