

Ring of Honor

New member sponsorship

New member sponsorship is an honor and a responsibility. To ensure that our new members are fully engaged in the Kiwanis experience from the start, the sponsor is encouraged to participate in the following activities with the new member:

- Participate in the new member orientation session.
- Greet club members as they arrive for three meetings.
- Attend one of the following: a Kiwanis interclub, a division or district event or a Service Leadership Program event.
- Attend a club board of directors meeting, or a meeting of the new member's assigned committee.
- Participate in a service or fundraising activity.

Sponsors who complete four of the five requirements within two months of the member's induction ceremony qualify for the Ring of Honor recognition certificate.

Sponsor _____

New member _____

This is a club-monitored program and there is no need to send documentation to Kiwanis International.
