Metropolitan DPLG George Dorry Honored for Fifty Years of Kiwanis Dedicated Service

METROPOLITAN Division – Recently gathered their membership to honor their Distinguished Past Lt. Governor George Dorry. George, a 50 year Kiwanis member, withstood a "fun" ribbing from his fellow Metropolitan members.

In a spirit of Kiwanis fun and a little roasting, DPLG Al Federico insisted that George and he are twin brothers. DPLG Steve Saletto mentioned that George joined Kiwanis "before I was born." George was teased that they had to bring a stethoscope to check him, before he could assume theLt. Governor position. "George is so old his social security number is 7." "George is so old, that history was current when he began in Kiwanis," added DPLG Mike Assenso.

George received many accolades from Foundation President Lindy Mazzarro and Lt. Governor Fran Hogan for his support of the Metropolitan Division and the children Kiwanis serves. He was especially thanked for his generous donations and continued support of Kamp Kiwanis.

Alex Inserna, owner of the Renaissance Catering Hall, where many events are held, offered a genuine message of thanks to George for "standing out as a mentor" and for being a "good friend to all."

George and Diane were deeply moved by the tribute. They both look forward to continuing their good works.
