Mamaroneck Kiwanians Hold Annual Car Show to Raise Funds for Projects and Scholarships

The Kiwanian Club of MAMARONECK, Hudson Tri-County Division – On the first Sunday after Labor Day, Mamaroneck Kiwanian holds their annual car show and flea market fundraiser. This past year’s event took place on a brilliantly gorgeous Sunday in wonderful Harbor Park right on the water. The day was picture perfect, attracting many local residents to the event.

PG Justin and Former First Lady Joanne Underwood came from Rochester the night before to share dinner with Mamaroneck President Anthony lacovelli and club members. The arrangements were made by PLG Keith Harman and his wife, Linda. Governor Justin and Joanne arrived early the next day to help set up and to be present to welcome all the many antique car enthusiasts who arrived to show off their beautiful cars. PLG Lenora McCabe arrived with Lt. Governor Patricia Caldwell. Everyone went to meet Spring Valley Kiwanian Vic Tadelis and his family, who brought his wonderful car.

PLG Jim Herndon of the White Plains Club was also there showing his beautiful car. Later in the day, Governor Justin officially greeted everyone and announced some of the winners in various categories. Joanne and Justin also sent greetings to the Mamaroneck sponsored Key Clubs who were present to add their support.

Always successful, Mamaroneck Kiwanian outdid itself again, raising over $20,000 for various Kiwanian projects and scholarships. It was another beautiful Kiwanian day.

EMPIRE STATE KIWANIAN

Kiwanians announces change to K–Kids

Beginning October 1, 2004, the individual member fees for K-Kids clubs will be eliminated. Instead, a $150 annual fee, paid by the sponsoring Kiwanis club, will cover all costs, including providing existing and new materials for members, advisors, and the K-Kids club. The fee also will allow members to receive the new K-Kids publication. Kiwanian international no longer will collect K-Kids members’ names and addresses.

The BRONX WESTCHESTER SOUTH District – inducted the Eastchester Club into their division on May 12, 2004, LG Sister Anne Marie Kirmse welcomed Kiwanians from throughout the New York District to this momentous event.

New York District Governor Peter Mancuso presented the new club’s charter to Eastchester’s President Thomas Gannalo. The club’s officers include: Vice President Peggy Waskiewicz, Secretary Ralph Stappel and Treasurer Paul Fitzpatrick. The newly elected Board of Directors include: Gabriel Bundschuh, Anthony Guarino, Dwight Doscher, Andrew Maher and Kiwanis Club of Fordham (sponsoring club) President Gregory Pappas. Eastchester members are excited and ready to start their community service.

Mancuso

We have a great convention planned for you in Buffalo from August 19-22! There will be outstanding forums; an enlightening Board Meeting; our General Session, highlighting the work of our district this year; the election and installation of officers of our district and directors of our district foundation; consideration of any proposed amendments to our bylaws that may come before the delegates; a gala dinner and reception; and a district wide service project. And did I mention our hospitality suites, which will, as usual, be brimming with conviviality and good fellowship? Or the casino nearby, for the risk takers among us? Or the many attractions in and around Buffalo, like the breathtaking spectacle of Niagara Falls?

District Convention Chair PG Jim Yochum and his team have done an outstanding job of putting our premiere event of the year together. To see the depth and breadth of our Convention activities, please check out our Convention web site: www.on-to-buffalo.com. We have also chosen a wonderful person to dedicate our convention to, SDPLG and Past Foundation Director Steve Haller, who has dedicated so much of himself to our district over a period of many years. We hope to see you there!
