Our Mid-Winter Conference will be at the Hudson Valley Resort February 19 – 22, 2008. We are in the midst of planning how we will “celebrate the diversity” of our membership here in New York. We are also planning a Membership Growth Summit as well as other forums. Several workshops have been requested. One will provide the opportunity for clubs to share their ideas about and give examples of successful fund raising events. Clubs are interested in learning what the process is to become a 501c3 foundation. Plan to have enough members attend this conference from your club so that you will be able to have representatives at each of these forums as well as others that will be announced. Let’s not forget that we will also have time for fun and fellowship!

I hope everyone has marked their calendar to attend the International Convention scheduled on June 25 – 28, 2009 in Nashville. The New York District has been assigned to the Opryland Resort I hope to see you all at the Mid-Winter Conference when more information will be provided.
