April 2010

Dear Sponsoring Kiwanis Club Presidents and Circle K Advisors,

Well it is the end of another school year. I would like to thank the faculty advisors for their continued support of Circle K. I have been in Kiwanis for over 35 years and have seen how important you are to our organization. Some people don't really agree with that but speaking from experience I know it is true. Whenever a club has difficulty if you look back you will see they didn't have a faculty advisor. I hope you get as much satisfaction as the Kiwanis committee does.

We have just celebrated fifty years of service to communities around New York State. The Convention was a great success with many Alumni coming back. They spoke about their years in Circle K and those who molded them and told how important it is to be active in their communities. Many of them have joined Kiwanis.

We have new district officers who are ready to lead the membership to new heights. I hope that you will give them your full support.

Kiwanians, invite them to your meetings; ask them to help with your projects. One thing about Circle K'ers is that they love serving their communities. Kiwanis sponsors you should also be proud of these students.

The membership for the last couple of years has been in the high 900's. We have built 5 new clubs this year with the help of many Kiwanis clubs. Always feel free to contact me at [johnnyk11@juno.com](mailto:johnnyk11@juno.com)

Yours in service,

John Keegan  
District Administrator  
NY District Circle K
