

September 2010

Dear New York Circle K Advisors,

Welcome back! I ask that if you are no longer the Kiwanis or Faculty adviser that you pass along this newsletter to your successor. Also, if there is a change, please forward the new contact information to Mr. Richard Santer @ [RS2WDLD@AOL.COM](mailto:RS2WDLD@AOL.COM) so that we can forward future issues of the newsletter.

We are now in the time when clubs should be having membership drives. You as advisors are an important part of the success of the club. Please be sure to attend their meetings. Also please invite your Circle Kers to assist with your Kiwanis Club's projects. Invite your Circle Kers to your Kiwanis club meetings to report on what they are doing. Clubs with advisors who are involved are the most successful.

If you need any assistance, the members of the Kiwanis Committee are all here to assist you. Please feel free to contact us at anytime. You will find our contact information below. In addition to contacting the members of the Kiwanis Committee, you can go to the Circle K International website at [www.circlek.org](http://www.circlek.org). You will find some very helpful information under resources tab.

If you need any other info from International you can call 1-800-Kiwanis extension:411.

Elsewhere in the enclosed Advisors' Newsletter, you will find out about the awards our district won at the International Convention in St Louis.

Best wishes for a rewarding semester.

Yours in service,

John Keegan  
District Administrator  
New York District Circle K
