

# Pediatric Lyme Disease

## West Service Leadership Fellowship

The New York District Kiwanis Pediatric Lyme Disease Joseph Wuest Service Leadership Fellowship program provides an opportunity for K-Family clubs (K-Kids, Builders Clubs, Key Clubs, Circle K's Kiwanis & Aktion Clubs) as well as individual members of these clubs to recognize the accomplishments of Service Leadership Club members. Service Leadership Clubs and members may also use this fellowship to honor Kiwanians.

Fellows will receive a lapel pin and certificate. While a K-Family club making the donation will receive a banner patch. This fellowship may also be used to recognize a Service Leadership Club. In this case the club will receive up to five (5) pins and a banner patch.

All donations made through the Pediatric Lyme Disease Wuest Service Leadership Fellowship program will be used by the Foundation to assist the families of children with Pediatric Lyme Disease pay medical expenses.

The New York District Kiwanis Pediatric Lyme Disease Foundation is a registered 501 (c) 3 foundation. The work of the Foundation began as the Governor's Project of DPG John Gridley. In addition to the financial assistance provide to the families of children with Pediatric Lyme Disease, the foundation also provides educational materials and safe tick removal kits.

### The Award

The New York District Kiwanis Pediatric Lyme Disease Joseph Wuest Service Leadership Fellowship honors the memory of DPLG Joseph Michael Wuest from the Bronx-Westchester South Division. Joe Wuest was a dedicated Kiwanian who touched the lives of many children through his Kiwanis service. Joe's family has been especially hard hit by tragedy. Three of his grandchildren suffer from Pediatric Lyme Disease.
