Our children need your help.

'In every serious injury, there is a small window of time before a child suffers irreversible injury or dies.'

KPTC Foundation History:

In 1991, the New York District of Kiwanis International and its Foundation, agreed to form an alliance with the North Shore University Hospital in Manhasset, Long Island, to create the Kiwanis Pediatric Trauma Center – KPTC, at the time, the only one of its kind in the region. A designated Trauma Level 1 Hospital, North Shore University Hospital treats seriously injured children and is fully equipped for sophisticated pediatric trauma care.

A full-time core of pediatric specialists, supported by pediatric residents and Fellows, along with an outstanding attending physician roster, provides any and all needed treatment.

The Kiwanis Pediatric Trauma Center at North Shore University Hospital Foundation Inc. sponsors a variety of fundraising events during the year designed to raise funds and/or to support efforts to reduce pediatric injuries or support pediatric treatment.

- KPTC Theatre Night
- The Annual Nassau to Suffolk Bicycle Challenge
- The Annual Steven L. Bank Memorial Golf Classic
- Brooklyn Cyclones Baseball
- Annual KPTC Black and White Ball
- Wine & Cheese Tasting

KPTC needs your continued support.

Won't you please help us in our efforts to keep our children safe and to provide the very best specialized emergency care should the need ever become necessary.

All net proceeds from the event goes to benefit the Kiwanis Pediatric Trauma Center Foundation at North Shore University Hospital.

YOUR support can save a young life.

Thank you.

Kiwanis International is a global organization of members of every age who are dedicated to changing the world one child and one community at a time.
