

Be Part of the Excitement!

Become a sponsor of this year's **Nassau to Suffolk Bicycle Challenge**. www.n2sbc.org on June 22, 2014 at Harry Tappan Beach, Sea Cliff, NY.

The Nassau to Suffolk Bicycle Challenge is sponsored by the North Shore Kiwanis Club. Funds raised will support the Kiwanis Pediatric Trauma Center at The North Shore University Hospital in Manhasset. The Kiwanis Pediatric Trauma Center (KPTC) is the only facility in downstate New York that is fully staffed and optimally equipped to treat severe pediatric trauma. Funds raised will also continue to provide hundreds of child-sized emergency kits to: fire departments, ambulance corps, EMT units and police ambulances to meet the "on scene" emergency needs of seriously injured children.

Help provide critical pediatric care to a child who has suffered a severe traumatic injury by becoming a sponsor today.

Sponsorship Opportunities

Platinum (Fellow) Sponsors will have their logos prominently displayed on the Bicycle Challenge t-shirt and logos and links on the event website. They will be presented with a Fellow Award from the KPTC board of directors. Platinum Sponsors will be listed in local newspapers that cover the event.

Gold and Silver Sponsors will have their logos and links on the Bicycle Challenge website. Gold and Silver sponsors will also be listed in local newspapers that cover the event.

Thank you for your support.

Thomas De Stio
