Dear Fellow Kiwanians,

We are excited to announce an event we are hosting entitled "A Night at the Theatre" on Friday, July 25, 2014. It will be held at the Merrick Theatre and Center for the Arts located at 2222 Hewlett Ave, Merrick NY, a highly regarded local community theatre, which stages first-rate productions. We are very pleased to tell you that on July 25th, the Merrick Theatre and Center for the Arts will be staging "You Can't Take It with You." --- a Moss Hart Pulitzer Prize winning play from the 1930s, later adapted for film and winning the Oscar for Best Picture in 1938. "You Can't Take it With You" is both hilarious and heartwarming and we are confident that you will enjoy the experience.

All the funds raised in excess of our costs for the tickets will go directly to the Kiwanis Pediatric Lyme Disease Foundation. The Foundation was formed during 2000-2001 by Governor John Gridley to assist children afflicted by this disease. To date the foundation has provided \$269,000 to support treatment and/or medication to those children.

Details regarding the event are outlined on the attached flyer and ticket requisition form. Please RSVP by July 13th. Seating is limited to 180 attendees. The event organizer is Jeanne Egan, the Lt. Governor-Elect for the Long Island North Division. If you have any questions, please feel free to contact Jeanne at 516-353-8325 or post2004@att.net.

Don't miss this fantastic show. Enjoy a night out and thank you for supporting the efforts of the Foundation.

Sincerely yours,

Angela Politano

John Gridley
