## **CONTEST RULES:**

- 1) Each week, a participant selects **one team** that they bet (i.e. are sure, hope, guess, no clue, etc.), will win their contest that week. This is an outright win, and does **NOT** involve point spreads. **Ties count as a loss.**
- 2) If the team selected wins, the participant continues selecting a different team each week. **You CANNOT pick the same team twice during the contest.** For example, if you select Buffalo in week #1. You cannot select them again for the remainder of the contest.
- 3) **If the selected team losses, that entry is eliminated from the contest.**
- 4) The contest will continue until there is one participant left and they will receive the winners share. If the last participants in the contest are eliminated in the same week, or the regular season ends with more than one entry still participating they will split the winners share equally.
- 5) The contest cost is \$20 per entry. **Participants may have multiple entries.**
- 6) **If you select a team playing on Thursday, your selection must be submitted by 5:00pm on Wednesday of that week. For all other games your selection must be submitted by 5:00pm Friday of that week. If a selection is not received by the required time listed that entry will be eliminated.**
- 7) Submit your selection via email to **JWHanratty@frontiernet.net** .
- 8) **Please include an e-mail address for weekly contest updates.**
