February 2017

Dear Friends,

It is that time of year when the members of the Kiwanis Club at Fordham University look forward to Spring and when we raise funds to benefit children in our community.

This year, our club will hold a **"Spring Fling Brunch Auction"** at the **Morris Yacht Beach Club** located on City Island on **SUNDAY, APRIL 2** starting at noon to raise funds to send children to summer camp and to assist other local children, including students participating in service leadership programs at the Thomas C. Giordano Middle School 45 and PS 205 Fiorello Laguardia near the Fordham campus, and projects helping newborns and youth with physical and developmental disabilities.

Enclosed is a flyer with more information on how you can help make this event a success.

Fordham Kiwanis is a chapter of Kiwanis International established over 100 years ago to address the needs of the community. For more than three decades working together with Fordham University students, the club at Fordham has placed its focus on serving local and global children. At this year's auction, our club will recognize four club members retiring from their academic and administrative positions at Fordham: Dr. Eileen Burchell, Dr. Rosemary DeJulio, Thomas DeJulio, and Dr. David Stuhr.

We hope you will be able to register now to attend the auction, donate a gift certificate, and/or make a contribution in the form of a check made payable to "Fordham Kiwanis".

On behalf of the children we serve, we deeply appreciate your support.

Yours in Service to Others,
