OFFICIAL NOTICE OF ANNUAL MEETING

All club members are invited

THURSDAY, NOVEMBER 15, 2018

Northwell Health System

2000 Marcus Avenue

New Hyde Park N.Y. 10042

6:00 PM – 8:00 PM

At this important meeting you will be updated on the important work of the Foundation and the KPTC. The leadership of the Foundation will help you better understand how you can support the fundraising and public visibility efforts. The health care professionals of Northwell Health will update us on their lifesaving work and how our efforts have supported their work.

This meeting is not limited to PRESIDENTS and SECRETARIES, WE HOPE THAT MANY OF YOUR MEMBERS WILL ATTEND.

It is a great opportunity to hear about our important Kiwanis - Northwell Health partnership. Why not bring new or potential members? Share the fellowship; let your Kiwanis pride show. While the proxies are important, there is nothing better than having you there to share in the evening.

In order to provide a light supper, we need a count of attendees, please RSVP JOECORACE@AOL.COM 917-282-9498

Very truly yours,
KPTC DIRECTORS
Joseph L. Corace
KPTC President
