Five Towns Kiwanis Foundation

The Five Towns Club is recognized as exempt under section 501(c)3 of the IRS Code

WHAT WE DO:

Kiwanis is a non-sectarian; non-political civic organization dedicated to the promotion of the highest social, business and professional standards. We are entrepreneurs, professionals, retirees and parents who either work or live in the Five Towns community.

Founded in 1944, the **Five Towns Kiwanis Club** is one of the most active community service clubs on Long Island. Our diverse membership has distributed over a million dollars to hospitals, service centers and organizations helping needy residents of our community.

New York District Kiwanis and Kiwanis International, with support from clubs like ours, are striving to eliminate both Lyme Disease and Iodine Deficiency at home and around the world.

Each year, the club gives over \$15,000 in scholarships for both Hewlett and Lawrence High Schools. For the underprivileged children of the Five Towns we support Kamp Kiwanis in Rome, New York, an oasis of fun and activities in a tremendous camping environment for deserving children.

A major effort of the **Five Towns Kiwanis Club** has been the support of the Kiwanis Pediatric Trauma Center at North Shore University Hospital. The KPTC program trains EMS units in pediatric trauma. We have donated pediatric trauma kits, at \$1000 each, to local EMS units. Their specialists have received training in using the special child size equipment that these kits contain. One such unit was used the next day to save a child's life.

Our Golf Outing is dedicated to the memory of our Past President

Marty Mongoni

Marty was a Past President of the Five Towns Club and a devoted Kiwanian. His core values included his family and his community and the deep rooted desire to give back to the community he lived and worked in. In addition to all his charitable efforts Marty was a determined golfer. Prior to his passing the membership of the Five Towns Club promised him that his memory would live on in this annual event.

We take pride in honoring Marty's memory with this day.

Founded on March 21st 1944 the Five Towns Club happily celebrates it's 75th anniversary. And we thank you for your continued support and participation in the wonderful event that provided us with the funds necessary to support numerous programs that enrich the lives of those in our community.
