What we do

Kiwanis is a non-sectarian; non-political civic organization dedicated to the promotion of the highest social, business and professional standards. We are entrepreneurs, professionals, retirees and parents who either work or live in the Five Towns community.

Founded in 1944, the Five towns Kiwanis Club is one of the most active community service clubs on Long Island. Our diverse membership has distributed over a million dollars to hospitals service centers and organizations helping needy residents of our community.

New York District Kiwanis and Kiwanis international with support from clubs like ours, ended Iodine Deficiency around the world, and are now working to eliminate neonatal tetanus.

Each year, the club gives over \$15,000 in educational scholarship to Lynbrook, Hewlett and Lawrence High Schools. For the underprivileged children of the Five Towns we support Kamp Kiwanis in Rome, New York, an oasis of fun and activities in a tremendous camping environment for deserving children.

Children are our first priority!
